

Please Support Khecari!

For the first time ever, Khecari is paying its dancers a livable wage – but we need your help to continue! All donations by check will go to production costs: you will allow us to realize our upcoming show. All donations from the Monthly Donors Group (see below) go to hourly wages: you will allow us to pay our artists.

Khecari's Monthly Donors Group

- No appeals for your support during your contribution cycle
- Forget the hassle of writing a check and mailing it off to us
- The steady income will greatly benefit Khecari's operations

We are excited to offer you this convenient new way to support Khecari Dance Theatre! If you join our Monthly Donors Group **we can automatically debit your checking account for the amount and duration you specify.**

And, to help get this program up and running, **one generous Patron has offered to match each and every monthly donor 100% for all 1-year commitments and 150% for all 3-year!** A monthly donation of \$10 (about a quarter a day for parking) will give Khecari \$300 a year; \$25 a month (a diner cup of coffee a day) will give \$750 a year, and \$50 a month (less than a latte a day) will give \$1500 in a year! This is a wonderful opportunity to multiply your support to Khecari.

Just fill out the form below, sign it, and mail it back to us. Please let us know if you are committing to a one year or three year cycle – the latter will more than double your money! Whichever you choose, if you change your mind at any time, simply call, write, or email and let us know, and withdrawals will stop immediately. And you have our assurance that all information will be handled with the strictest confidence.

Please don't hesitate to contact us at any point if you have any questions. And thank you for your support!

You can also donate online at www.khecari.org - "dance"

Option 1: I'm sending a production donation of \$ _____ (mail your check to the address below)

Option 2: I'm joining the Donors Circle at \$ _____ /month (please fill out the information below)

1 year cycle (matched 100%)

3 year cycle (matched 150%)
